

Use Model: HE1LIR35M35F-.5 cable when you want to take IR out of a 3rd party control system like URC then take that IR into the HDMI Transmitter so that IR can be sent up to the HDMI Receiver located at TV location and control TV or other local devices. Use same cable Model: HE1LIR35M35F-.5 on HDMI receiver side if you do not want to use the included IR blaster in the HDMI extender kits and prefer a 3rd party IR Emitter. Compatible HDMI Extender models for the adapter cable are HE1LBIRV2-70M, HE1LBIR232, HE1BIR-50M, HE1LBIR232-E-ARC-100M, HE2BIR-50M.
